

Cosmetics Lipstick Lid Automatic Capping Machine For Assembly And Testing

Our Product Introduction

Basic Information

- Place of Origin: Shanghai
- Brand Name: Quanstar
- Certification: ISO
- Packaging Details: wooden box
- Payment Terms: L/C,T/T

Product Specification

- Name: Automatic Assembly Machine For Lid
- Brand: OEM
- Industry: Cosmetics, Consumer Goods
- Control System: PLC
- Solution: Custom Automation
- Operation: Fully Automatic
- Highlight: **Cosmetics Lipstick Automatic Capping Machine**
,
Cosmetics Lipstick Lid Automatic Capping Machine
,
Lipstick Lid Assembly Automatic Capping Machine

Attribute	Value
Name	automatic assembly machine for lid
Brand	OEM
Industry	cosmetics, consumer goods
Control system	PLC
Solution	custom automation
Operation	fully automatic

We specialize in the supply of precision assembly machines, robotics and mechatronics designed specifically for cosmetics manufacturing. All non-standard machines are custom engineered and built to specification, following detailed analysis of each client's production requirements, volume targets, and quality standards.

Base: Mechanical table construction for stability

Compatibility: Works with wide range of lipstick lid products

Result: Enhanced efficiency, quality control, and production output

Frequently Asked Questions

Q: Are you trading company or manufacturer?

A: We are a manufacturer with over 10 years of production and development experience.

Q: What are your major products?

A: We specialize in customized automation solutions for production, including assembly lines, testing systems, and packaging solutions for industries like electric vehicle manufacturing (battery packs, thermal management systems, steering components).

Q: How long is your delivery time?

A: Standard production cycle is 3 months, with final delivery date determined by project complexity and current production schedule.

Q: How about your price?

A: We provide competitive pricing based on your specific requirements after evaluating your components and production needs.

Q: What is your terms of payment?

A: 40% deposit with 60% balance due before shipment.

Q: What is the package for your machine?

A: Standard wooden case packaging for secure transportation.

Q: How long is the warranty?

A: 1-year free warranty with lifetime maintenance support.

Q: What partners do you work with?

A: We collaborate with both client-designated partners and can recommend our network of trusted technical partners.
