

Automatic Medical Device Assembly Line for Liquid Injection Packing

Our Product Introduction

for more products please visit us on automation-assembly.com

Basic Information

- Place of Origin: Shanghai
- Brand Name: Quanstar
- Certification: ISO
- Packaging Details: wooden box
- Payment Terms: L/C,T/T

Product Specification

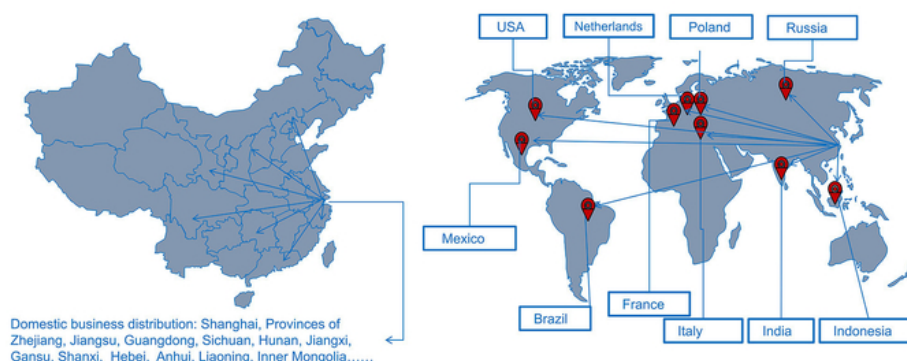

- Name: Medical Device Equipment
- Condition: New
- Operational Mode: Fully Automatic
- Control System: PLC
- Voltage: 380V/220V
- Warranty: One Year
- Highlight: **Injection Packing Medical Device Assembly Line**
, Liquid Injection Medical Device Assembly Line
, Medical Liquid Injection Packing Assembly Line

Product Description

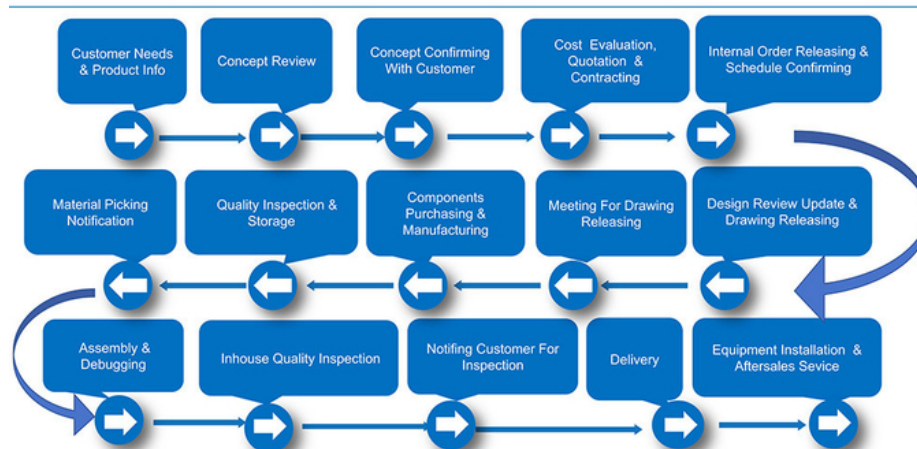

Automatic liquid injection packing production line medical device assembly line

Some of our medical device equipment for example:
 glass tube heating and forming equipment for blood test
 laser marking and assembly equipment for drug bottle cover
 medicine bottle cover gasket pressing machine
 CT developer cover assembling machine
 disinfection rod assembly and filling production line
 medical hose visual online detection equipment
 eight tubes automatic liquid injection packing production line
 automatic loading and unloading equipment for injection molding of cardiac conductive wire

Business Global Service

We are committed to providing customers with high-quality, competitive products and services. A project cooperation process usually includes the following key steps.

FAQ

1.Q: Are you trading company or manufacturer?

A: We are a manufacturer with over 10 years of production and development experience.

2.Q: What are your major products?

A: We are an assembly automation solution provider specialized in customized automatic machinery for production. For example, we provide customized assembly line, testing and packaging solutions to several electric vehicle (EV) manufacturers, such as component-level lines for battery packs, thermal management systems, steerings and so on.

3. Q: How long is your delivery time?

A: Usually 3 months is a production cycle, the specific delivery date should be arranged according to the product's complexity and real-time production schedule. Please contact us for the latest delivery date.

4.Q: How about your price?

A: Show us your parts and we will be glad to find solutions and provide a suitable scheme, and offer the most competitive price to you.

5.Q: What is your terms of payment ?

A: 40% deposit and 60% balance payment before delivery.

6.Q: What is the package for you machine?

A: We have standard wooden case package.

7.Q: How long is the warranty?

A: Our aftersale service is one year free warranty, and life-time maintenance guaranteed.

8.Q:What partners do you work with?

A: We can both work with customer's designated partners and propose other components partners at customer's request.
