

Tire Valve Cap Automation Assembly Line Lid Automatic Testing Machine

Our Product Introduction

Basic Information

- Place of Origin: Shanghai
- Brand Name: Quanstar
- Certification: ISO
- Packaging Details: wooden box
- Payment Terms: L/C,T/T

Product Specification

- Name: Tire Valve Assembly Line
- Industry: Assembly And Packaging For The Cosmetics
- Type: Fully Automatic
- Control System: PLC
- Condition: New
- Warranty: One Year
- Highlight: Valve Automatic Assembly Machine,
Cap Automation Assembly Line,
Tire Valve Automation Assembly Line

Product Description

Tire Valve Cap Automation Assembly Line Lid Automatic Testing Machine

Product Specifications

Name	tire valve assembly line
Industry	assembly and packaging for the cosmetics
Type	fully automatic
Control system	PLC
Condition	new
Warranty	one year

Product Description

The Tire Valve Automated Cap Assembly Line Lid Testing Machine is a comprehensive solution for precision manufacturing processes.

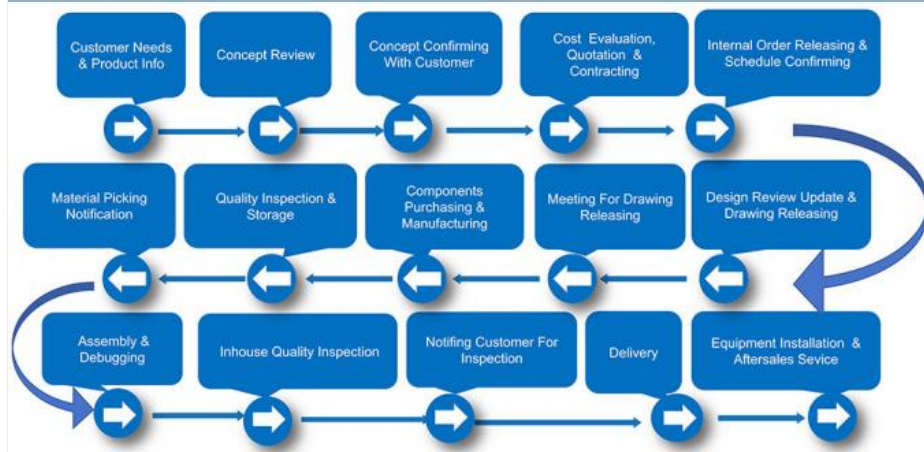

Key Processes:

- Material auto feeding
- Valve height check
- Leakage detection
- Laser marking
- And many more integrated functions

Business Global Service

We are committed to providing customers with high-quality, competitive products and services. A project cooperation process usually includes the following key steps.

Frequently Asked Questions

Q: Are you trading company or manufacturer?

A: We are a manufacturer with over 10 years of production and development experience.

Q: What are your major products?

A: We are an assembly automation solution provider specialized in customized automatic machinery for production. For example, we provide customized assembly line, testing and packaging solutions to several electric vehicle (EV) manufacturers, such as component-level lines for battery packs, thermal management systems, steerings and so on.

Q: How long is your delivery time?

A: Usually 3 months is a production cycle, the specific delivery date should be arranged according to the product's complexity and real-time production schedule. Please contact us for the latest delivery date.

Q: How about your price?

A: Show us your parts and we will be glad to find solutions and provide a suitable scheme, and offer the most competitive price to you.

Q: What is your terms of payment?

A: 40% deposit and 60% balance payment before delivery.

Q: What is the package for your machine?

A: We have standard wooden case package.

Q: How long is the warranty?

A: Our aftersale service is one year free warranty, and life-time maintenance guaranteed.

Q: What partners do you work with?

A: We can both work with customer's designated partners and propose other components partners at customer's request.
