

Automation EV Battery Pack Assembly Line With EOL Testing Process

Our Product Introduction

for more products please visit us on automation-assembly.com

Basic Information

- Place of Origin: Shanghai
- Brand Name: Quanstar
- Certification: ISO
- Packaging Details: wooden box
- Payment Terms: L/C,T/T

Product Specification

- Name: EV Battery Pack Assembly And Test Line
- Application: Electric Vehicle Manufacturing Automation
- Assembled Products: Electric Vehicle Battery Pack
- Type: Fully Automatic
- Control System: PLC
- Place Of Origin: Shanghai
- Highlight: Automation EV Battery Pack Assembly Line ,
EOL Testing EV Battery Assembly Line ,
EV Battery Pack Automation Assembly Line

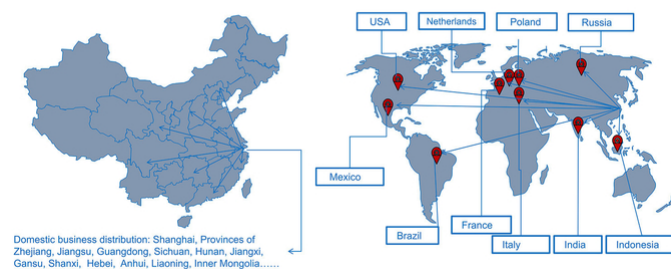

Product Description

Battery pack assembly line

Process:
module assembly
water chilling system leakage testing
high/low voltage wire hearless assembly
high voltage insulation test
leakaging testing
EOL testing
function testing
traceability

Our Product Introduction

Business Global Service

We are committed to providing customers with high-quality, competitive products and services. A project cooperation process usually includes the following key steps.

FAQ

1.Q: Are you trading company or manufacturer?

A: We are a manufacturer with over 10 years of production and development experience.

2.Q: What are your major products?

A: We are an assembly automation solution provider specialized in customized automatic machinery for production. For example, we provide customized assembly line, testing and packaging solutions to several electric vehicle (EV) manufacturers, such as component-level lines for battery packs, thermal management systems, steerings and so on.

3. Q: How long is your delivery time?

A: Usually 3 months is a production cycle, the specific delivery date should be arranged according to the product's complexity and real-time production schedule. Please contact us for the latest delivery date.

4.Q: How about your price?

A: Show us your parts and we will be glad to find solutions and provide a suitable scheme, and offer the most competitive price to you.
