

Sterilization Stick Sealing And Filling Machine with PLC Control System

Our Product Introduction

for more products please visit us on automation-assembly.com

Basic Information

- Place of Origin: Shanghai
- Brand Name: Quanstar
- Certification: ISO
- Packaging Details: wooden box
- Payment Terms: L/C,T/T

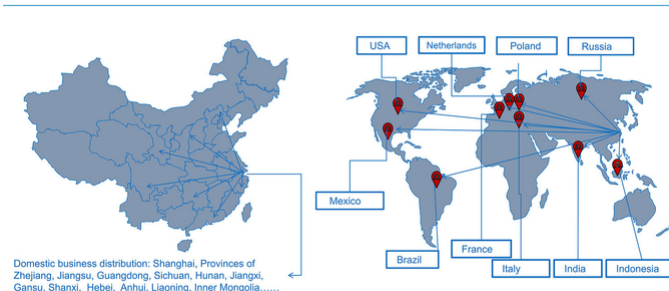

Product Specification

- Name: Sterilization Stick Sealing And Filling Machine
- Industry: Assembly And Packaging For The Medical Devices
- Type: Fully Automatic
- Control System: PLC
- Condition: New
- Warranty: One Year
- Highlight: Sterilization stick sealing machine,
Sterilization stick filling machine,
Sterilization stick sealing machine

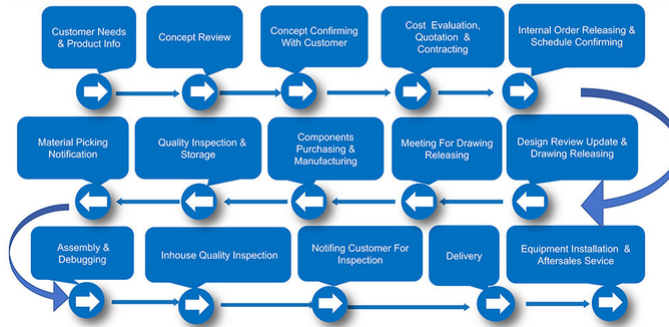

Product Description

This project's equipment is composed of 5 workstations. It uses a cylinder to push the fixture plate to make a loop turnover in the loop groove to realize the connection of each workstation. This ensures that the liquid of the sterilization stick can be accurately filled and effectively sealed, thereby improving production efficiency and product quality.

Business Global Service

We are committed to providing customers with high-quality, competitive products and services. A project cooperation process usually includes the following key steps.

FAQ

1.Q: Are you trading company or manufacturer?

A: We are a manufacturer with over 10 years of production and development experience.

2.Q: What are your major products?

A: We are an assembly automation solution provider specialized in customized machinery for production. For example, we provide customized assembly line, testing and packaging solutions to several electric vehicle (EV) manufacturers, such as component-level lines for battery packs, thermal management systems, steerings and so on.

No.368 Xiaonan Road, Fengxian District, Shanghai 201401, China

3. Q: How long is your delivery time?

A: Usually 3 months is a production cycle, the specific delivery date should be arranged according to the product's complexity and real-time production schedule. Please contact us for the latest delivery date.

4.Q: How about your price?

A: Show us your parts and we will be glad to find solutions and provide a suitable scheme, and offer the most competitive price to you.

5.Q: What is your terms of payment ?

A: 40% deposit and 60% balance payment before delivery.

6.Q: What is the package for you machine?

A: We have standard wooden case package.

7.Q: How long is the warranty?

A: Our aftersale service is one year free warranty, and life-time maintenance guaranteed.

8.Q:What partners do you work with?

A: We can both work with customer's designated partners and propose other components partners at customer's request. Some of our technical partners as below:

□
