

## Automated Pallet Stacking Machine With Robotics For Custom Packaging And Processing Automation Solution

### Our Product Introduction

#### Basic Information

- Place of Origin: Shanghai
- Brand Name: Quanstar
- Certification: ISO
- Packaging Details: wooden box
- Payment Terms: L/C,T/T

#### Product Specification

- Name: Pallet Stacking Machine
- Condition: New
- Industry: Multi
- Control System: PLC Programmer
- Solution: Packing Automation
- Operation: Fully Automated
- Highlight: **Automated Pallet Stacking Machine,  
Custom Packaging Pallet Stacking Machine,  
Robotics Pallet Stacking Machine**

## Product Description

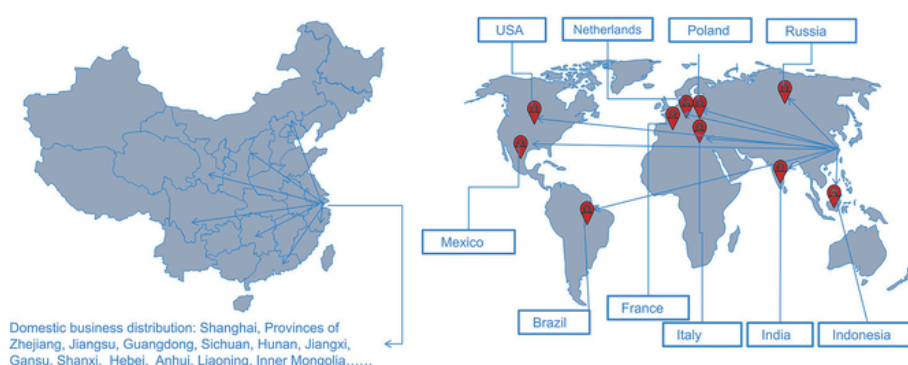

### Automated Pallet Stacking Machine with Robotics for Custom Packaging and Processing Automation Solution

Quanstar Intelligent Controls (Shanghai) Co.,Ltd. developed fully automated assembly lines with robotic palletizer.

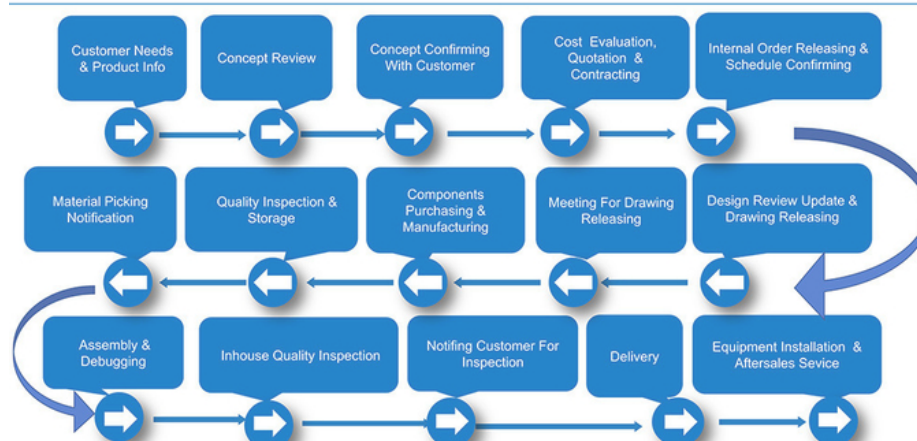

Core competencies of our manufacturing automation solutions:

- Resistance and laser welding
- Ultrasonic and RF Welding
- Industrial robot integration for flexible, multi-axis problems
- Material handling
- Power & free linear transfer systems
- Servo press
- Vision inspection
- Build to print
- Precision machining
- Lean cells
- Leak testing
- Traceability

Business Global Service

We are committed to providing customers with high-quality, competitive products and services. A project cooperation process usually includes the following key steps.

## FAQ

1.Q: Are you trading company or manufacturer?

A: We are a manufacturer with over 10 years of production and development experience.

2.Q: What are your major products?

A: We are an assembly automation solution provider specialized in customized automatic machinery for production. For example, we provide customized assembly line, testing and packaging solutions to several electric vehicle (EV) manufacturers, such as component-level lines for battery packs, thermal management systems, steerings and so on.

3. Q: How long is your delivery time?

A: Usually 3 months is a production cycle, the specific delivery date should be arranged according to the product's complexity and real-time production schedule. Please contact us for the latest delivery date.

4.Q: How about your price?

A: Show us your parts and we will be glad to find solutions and provide a suitable scheme, and offer the most competitive price to you.

5.Q: What is your terms of payment ?

A: 40% deposit and 60% balance payment before delivery.

6.Q: What is the package for you machine?

A: We have standard wooden case package.

7.Q: How long is the warranty?

A: Our aftersale service is one year free warranty, and life-time maintenance guaranteed.

8.Q:What partners do you work with?

A: We can both work with customer's designated partners and propose other components partners at customer's request.  
Some of our technical partners as below:
