

## PLC Cosmetics Assembly Machine Automated Cosmetics Assembly Machine

Our Product Introduction

### Basic Information

- Place of Origin: Shanghai
- Brand Name: Quanstar
- Certification: ISO
- Packaging Details: wooden box
- Payment Terms: L/C,T/T

### Product Specification

- Name: PLC Automated Cosmetics Assembly Machine
- Power Supply: AC380V 50/60Hz
- Industry: Cosmetics
- Control System: PLC
- Solution: Custom Automation
- Operation: Automatic
- Highlight: **PLC Cosmetics Assembly Machine, Automated Cosmetics Assembly Machine**

## PLC Automated Cosmetics Assembly Machine

### Product Specifications

|                |  |
|----------------|--|
| Name           | PLC Automated Cosmetics Assembly Machine |
| Power supply   | AC380V 50/60Hz                           |
| Industry       | Cosmetics                                |
| Control system | PLC                                      |
| Solution       | Custom automation                        |
| Operation      | Automatic                                |

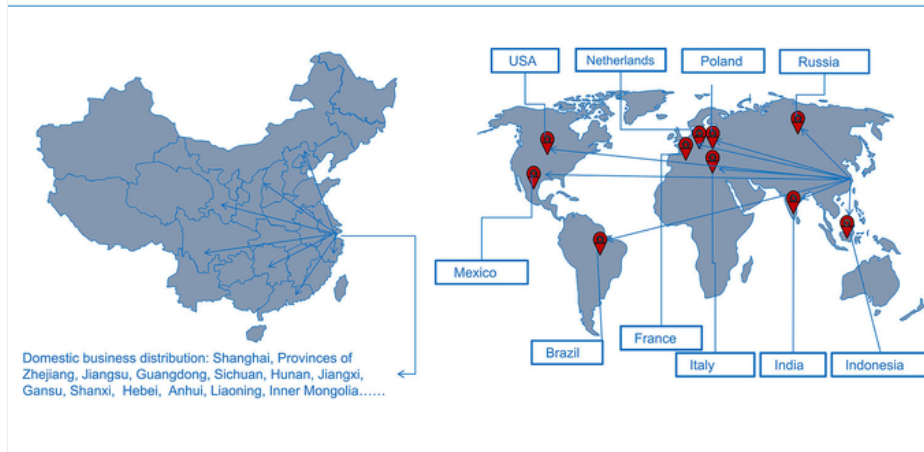

### Technical Description

Our precision-engineered automated assembly systems are specifically designed for cosmetic product manufacturing, offering flexible automation with human oversight for optimal quality control.

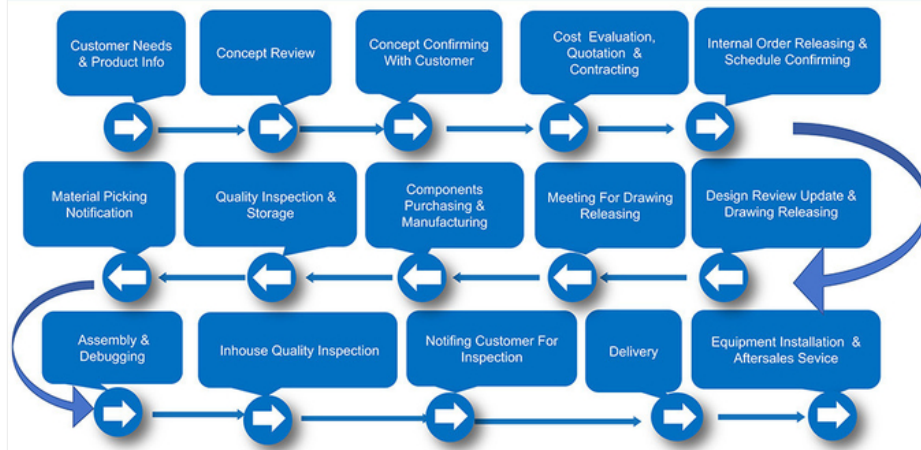

### Key Features

- Modular mechanical workstation with ergonomic design
- Multi-product compatibility platform
- Precision-guided assembly mechanisms
- Integrated quality verification stations
- Adjustable production speed controls

#### Business Global Service

We are committed to providing customers with high-quality, competitive products and services. A project cooperation process usually includes the following key steps.

## Frequently Asked Questions

### Q: Are you trading company or manufacturer?

A: We are a manufacturer with over 10 years of production and development experience.

### Q: What are your major products?

A: We are an assembly automation solution provider specialized in customized automatic machinery for production. For example, we provide customized assembly line, testing and packaging solutions to several electric vehicle (EV) manufacturers, such as component-level lines for battery packs, thermal management systems, steerings and so on.

### Q: How long is your delivery time?

A: Usually 3 months is a production cycle, the specific delivery date should be arranged according to the product's complexity and real-time production schedule. Please contact us for the latest delivery date.

### Q: How about your price?

A: Show us your parts and we will be glad to find solutions and provide a suitable scheme, and offer the most competitive price to you.

### Q: What is your terms of payment?

A: 40% deposit and 60% balance payment before delivery.

### Q: What is the package for your machine?

A: We have standard wooden case package.

### Q: How long is the warranty?

A: Our aftersale service is one year free warranty, and life-time maintenance guaranteed.

### Q: What partners do you work with?

A: We can both work with customer's designated partners and propose other components partners at customer's request. Some of our technical partners as below:

**Quanstar Intelligent Controls (Shanghai) Co.,Ltd**
